Saint Paul, MN

Paul J. Wagner, Chairman/CEO of Saint Paul based Minnesota Wire & Cable, announced today that Joan C. Thompson has retired from the company after 35 years of service. Ms. Thompson has held various positions with the company throughout the years, most recently as Executive Vice President and Chief Financial Officer. “We wish Joan much success in her future endeavors”, stated Wagner.

Any financially based questions or concerns regarding the company’s business banking relationships should be directed to Brett Davies, the company’s newly appointed Chief Financial Officer.

Minnesota Wire is a privately held manufacturing company serving customers in the medical, defense and aerospace industry. With their corporate offices located in Saint Paul, their primary manufacturing facility is in Eau Claire, WI.
